For Autumn Brides

CHARMING new atmosphere of refinement pervades the A entire line of Fall models in Bridal Lingerie. This is especially noticeable in the higher grade of silks and crepes, in the increased amount of self-trimming and the restrained use of laces. Little touches of real laces (from Ireland, France or Belgium), instead of elaborate quantities of a cheaper kind, are everywhere in evidence and characterize most of the new underthings.

For example:

Gowns of white wash satih, elaborated with real imported Filet or Valenciennes laces, \$12.98 and \$15.98.

"Day-Set" of Camisole (\$4.50), "Step-In" (\$7.50) and Skirt (\$15.98)—wonderful creations of Georgette, Filet and Valenciennes laces and white satin combined.

White Crepe Russe, with real Irish

lace trimmings, is the composi-

tion of a lovely two-piece set,

comprising Night Gown (\$25.00)

and Envelope Chemise (\$16.50).

Pink Satin Three-Piece Set, consisting of Night Gown (\$19.50), Teddy (\$12.00) and Cap (\$5.98).

Heavy Pink Crepe Set, embellished with real Filet lace and two-tone ribbon rosettes: Gown, \$22.50; Teddy, \$12.98,

Crepe Russe Sets, in pink, blue or white. These are most effectively trimmed with real Filet lace bands and "Lady Faire" ribbon: Gown, \$12.98; Teddy,
